## TERMS OF BOARDING CONTRACT

### **Dominion Animal Hospital agrees to:**

- Walk each dog a minimum of four times per day using a lead, or with use of a harness if requested by owner.
- Maintain a sanitary and hygienic environment throughout the facility and per individual boarder.
- Feed boarding animals as instructed by owner with regard to frequency, amount, and type of food. If no feeding instructions are provided, the pet will be fed kennel-provided food twice daily at an amount determined by a doctor.
- Medicate boarding animals as directed by owner. Any discrepancies will be resolved by the doctor and communicated to the client.
- Attend to animals as necessary to ensure their health, safety, and well-being.
- Notify the owner if their pet becomes seriously ill and make every attempt to contact the listed emergency numbers. If unable to contact the owner or reach their local emergency contact person and the pet's health deems immediate medical response, the veterinarians will treat the pet as if it were their own.
- In the case of non-emergency issues, we will perform necessary treatments if no response has been received within the hour. If during a routine exam, your pet is found to have any non-emergency, non-contagious health concerns, they will be treated as a doctor deems appropriate.

### **The owner acknowledges that:**

- Dominion Animal Hospital is fully staffed during the following hours:
    - Monday through Friday from 7:30am – 7:00 pm
    - Saturday from 7:30am – 2:00pm
  - Dominion Animal Hospital is staffed with only kennel employees during the following hours:
    - Saturday starting at 5:00pm until all animals are sufficiently cared for
    - Sundays at 8:00am and 5:00pm until all animals are sufficiently cared for
- Doctors are available on call for the kennel staff to contact when concerned about an animal's health.
- If owner-provided instructions regarding feeding or medication are unclear or missing, the kennel tech will contact the owner to clarify what is written. If the owner cannot be reached, the feeding and medicating instructions will default to a doctor's discretion.
  - They are responsible for all boarding expenses, vaccinations, and any additional veterinary services required as indicated by the pet's vaccination records, as well as those requested under "Additional Services and Requests".
  - They are the legal owner of the pet, and the pet has not been exposed to any contagious disease within the last 30 days.
  - Required vaccinations must be current; if they are not, they must be updated upon admission.

**Owner Signature:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**Local Emergency Contact Information:** \_\_\_\_\_

**If a concern about your pet would arise and the doctor deemed it non-emergent, would you like to be contacted first or have us call your local contact first?:** \_\_\_\_\_

**Dominion also offers a Boarding Discount Card upon request to front desk. Cost for it is \$9.00. Stay 10 nights of boarding and receive a free night plus 15% off a-la-Carte services.**
